

Central Florida Sculptors Guild (CFSG) meeting Minutes: 9-10-07

Met at the Casselberry ArtHouse at 6pm.

10 people were present: Linda Moore, Mindy Colton, Karen King (secretary), Jane Turner, Henry Sinn, Cheryl Bogdanowitch, Susan Loden, Jim Hosner, Brian Owens, Amy Wieck (presiding)

--Amy tells about the sculptors group, introduction of attending sculptors

--we have a website, www.floridasculptors.com

--passed around "Welcome to..." sheet

--name changed to Florida Sculptors' Guild instead of "Central FL...". Logo -- everyone liked the bronze colors and the square design.

--Linda Moore thanks everyone for coming, thanks to Amy Wieck and Brian Owens for persisting and getting this meeting together.

--one goal is to have an art book of juried sculptors, funding from a local art supporter (resource book). This is a longer range goal.

--talked about the future Casselberry City Center art project, possible area for outdoor sculptures—possible events—city govt. involvement possible. Invitational or permanent work or both. Questions of insurance for pieces, sale of artwork. Link businesses with artists for sculptures to make a statement in the community. This is a long range goal also.

--brochure printed w/art to start out with 3 pictures?

--Shorter range goal is the Artist Resource Book in a 3 ring binder which Linda will have in her office in order to promote sculptors and all the wonderful talent we have locally to architects and builders. Brian will modify his current art resource template to allow a margin for future binding and provide an example page. Artists can choose horizontal or vertical format—each artist should submit information by the end of November, 2007. (That is the goal)

--everyone is to write down and bring to the next meeting and/or email Amy at info@propsetc.com what criteria they feel should determine who is accepted into this group. Keeping in mind that this group's purpose is to promote local professional sculptors to businesses and patrons.

--change time to 7:00pm for meetings the first Monday of the month at Casselberry ArtHouse. The next meeting will be Oct. 1st.

--closed the meeting at 7:05pm with snacks.
